## PREFACE

This thirtieth edition of the John Carroll University Fact Book is an attempt to present in the most readable form current and historical data from various sources throughout the University. We wish to express our thanks and appreciation for the gracious cooperation and assistance received from these many sources. In particular, Peter Kvidera is to be given credit for the new narrative in the beginning page on academics at John Carroll University. Data in this book reflect a change in the institutional enrollment census date for IPEDS reporting – from end of first week to end of third week. You can also find a new section on the Center for Service and Social Action, a page on the Champion Award for Service, and some re-organization. We always welcome your comments and suggestions for additional information that might be included in future editions or for improvements in the way the information is presented.

A pdf of a version of the 2011-2012 Fact Book may be found on the JCU Institutional Effectiveness web page at <http://sites.jcu.edu/ie/>.

## John Carroll University Vision, Mission, Core Values and Strategic Initiatives Statement

### Vision

John Carroll University will graduate individuals of intellect and character who lead and serve by engaging the world around them and around the globe.

### Mission

As a Jesuit Catholic university, John Carroll inspires individuals to excel in learning, leadership, and service in the region and in the world.

### Core Values

The University's core values include a commitment to learning in order to create:

- ✦ An environment of inquiry which embraces Jesuit Catholic education as a search for truth where faith and reason complement each other in learning. In pursuit of our educational mission, the University welcomes the perspectives and participation in our mission of faculty, staff, students, and alumni, of all faiths and of no faith.
- ✦ A rigorous approach to scholarship that instills in our graduates the knowledge, eloquence, sensitivity, and commitment to embrace and to live humane values.
- ✦ A campus committed to the intellectual, spiritual, emotional, and physical development of each student.
- ✦ An inclusive community where differing points of view and experience are valued as opportunities for mutual learning.
- ✦ A culture of service and excellence that permeates every program and office.
- ✦ A commitment to sharing our gifts in service to each other and the community.
- ✦ A campus that responds to demographic, economic, and social challenges.
- ✦ An appreciation that our personal and collective choices can build a more just world.

### Strategic Initiatives

The following initiatives are essential to the University being recognized as a center of learning and service:

- ✦ Create a diverse community of faculty, staff, alumni and friends dedicated to advancing the University's vision, mission, and core values.
- ✦ Create a learning community of outstanding teacher-scholars characterized by the commitment to student achievement.
- ✦ Create a talented cohort of service-oriented staff committed to achieving and being recognized as a center of learning and service.
- ✦ Recruit, enroll, retain, and graduate a talented, diverse student body prepared for today's global reality and committed to learning, leadership and service that will engage the world.
- ✦ Secure resources necessary to foster an extraordinary learning experience and promote John Carroll's mission as a Jesuit Catholic university.
- ✦ Assist in responding to demographic, economic, and social challenges in our region in order to support investment and employment opportunities and build confidence in our shared future.

## Academics at John Carroll University

John Carroll University provides programs in the liberal arts, sciences, and business at the undergraduate level, and in select areas at the master's level. The educational experience at John Carroll University—in accord with the University's vision, mission, and core values—provides opportunities for the students to develop as whole persons with the intellect and character to lead and serve in the region and in the world. Through its core curriculum and degree programs, students at John Carroll are educated in the humanizing arts and sciences, are skilled in expression and in scholarly investigation, and are aware of the interrelationship of all knowledge and the interdependence of all people. Moreover, academics at John Carroll promote the integration of faith and culture and the need for social justice by imparting a deeper knowledge of, and respect for, the students' own cultural and religious traditions as well as those of others.

All full-time and part-time undergraduate students at John Carroll University matriculate in the College of Arts and Sciences. Students are able to graduate with degrees either from the College of Arts and Sciences or the John M. and Mary Jo Boler School of Business.

### The College of Arts and Sciences

The College of Arts and Sciences (CAS) was established in 1886 under the name of St. Ignatius College. The College offers programs of study in 38 majors leading to degrees of Bachelor of Arts (B.A.), Bachelor of Arts in Classics (B.A.Cl.) and Bachelor of Science (B.S.). In addition, the College offers minors in 28 disciplinary programs and minors or concentrations in 23 interdisciplinary programs. The College also grants graduate degrees (including Master of Arts, Master of Education, and Master of Science) and supports a number of other programs that enhance traditional academic courses of study. CAS programs are listed below with optional major tracks, or areas of focus, indented.

## The John M. and Mary Jo Boler School of Business

The mission of the Boler School of Business is to develop and inspire tomorrow's leaders through educational excellence in the Jesuit tradition. Business education began at John Carroll University with the establishment of a Department of Business Administration in 1934 in the college of Arts and Sciences to provide professional training for students aspiring to positions of responsibility in the business world. This department was expanded in 1945 into the School of Business, and in 1974 expanded its offerings to include a Master in Business Administration degree. In March 1996, in recognition of the many generous contributions to the University from John M. and Mary Jo Boler, the School was named after them. Mr. Boler is a 1956 alumnus of the School. In 2001 a Master of Science in Accountancy degree was added to the Boler School's graduate offerings. The accountancy and business administration programs are accredited at both bachelor's and master's levels by the Association to Advance Collegiate Schools of Business (AACSB International).

## Center for Service and Social Action

**Mission Statement:** The Center for Service and Social Action (CSSA) seeks to educate for justice by offering opportunities for learning through service. Growing from a rich Catholic intellectual tradition, we promote service that inspires a deeper commitment to those most in need. The Center connects the campus with the local, national and international communities through sustained partnerships that enable John Carroll community members to become “men and women for and with others.”

Number of Service Hours Performed, Students Registered in Weekly Service and Service Learning Courses, 2008 - 2010

	2008-2009	2009-2010	2010-2011
Service Hours Performed	33,822	38,788	43,423
Students Registered in Weekly Service	834	1,266	1,385
Service Learning Courses Offered	57	77	88

Signature programs:

**Carroll Reads:** Federally funded tutoring program designed to assist children in grades K-6 refine reading and math skills.

**Ohio Graduation Test (OGT) Tutoring:** In response to a request from the Cleveland Metropolitan School District, JCU tutors work with John Adams and Collinwood High School 10<sup>th</sup> grade students four days per week in preparation for the OGT test.

**We the People (WTP) Service Learning Program:** A unique program that brings JCU students into 23 classrooms in 12 different schools across Cleveland and East Cleveland to educate elementary, middle and high school students about the U.S. Constitution, citizenship and civic responsibility. The year-long program culminates with a Mock Congressional Hearing hosted on the JCU campus.

Awards received from external organizations:

Carnegie Classification for Community Engagement 2010

President’s Honor Roll for Community Service (4<sup>th</sup> consecutive year)

### Highlights of Assessment of Student Learning Outcomes

At the conclusion of each semester, all participating students are sent an assessment survey. Of the students that return the survey (typically, an average of 10-12%), they report positive learning from their experiences. When asked “this service learning experience allowed me to more meaningfully apply the concepts from the course”, 67.2% (n=64) strongly agreed or agreed. When asked “As a result of this service experience, I feel more comfortable interacting with people whose cultural background is different from my own”, 70.4% strongly agreed or agreed. When asked if “This activity has helped me care more deeply about the needs of others in my community”, 82.9% strongly agreed or agreed.

Data reported is from 82 respondents (of 805 enrolled) from the fall 2010 semester.

## The Center for Career Services

The Center for Career Services focuses on the career development of JCU students, while also providing services to alumni. Who am I and what am I passionate about? Where am I needed in the world? How do I get there? The process of answering these questions is career development. Several Career Education Courses are offered for students in relation to those three questions. The following courses are 1-credit hour (unless noted otherwise).

*Who am I and what am I passionate about?*

- CE-111: Exploring Your Options
- CE-101: Introduction to Careers

*Where am I needed in the world?*

- CE-121: Introduction to the Accounting Profession
- CE-122: Introduction to Careers in Psychology

*How do I get there?*

- CE-131: Introduction to the World of Work
- CE-199, 102, 103, 104: Academic Internship (0-3 credits)

Please refer to the Undergraduate Bulletin for information on prerequisites for Career Education courses.

In the 2010-2011 academic year, 106 students in 16 undergraduate majors completed a Career Education course. All students enrolled in CE courses complete a My Vocational Situation (MVS) assessment at the beginning and end of each course to assess readiness for career choice in terms of vocational identity, need for career information, and barriers to career choice. MVS results are overwhelmingly positive and higher across the board upon completion of a CE course.

My Vocational Situation (MVS) assessment results for courses taken during the 2010-2011 academic year follow.

CE Course	Score at beginning of course	Score at completion of course	Increase in score
CE 101 Fall 2010	5.8	12.8	7.0
CE 101 Spring 2011	5.9	11.6	5.7
CE 111 Fall 2010	7.4	11.7	4.3
CE 111 Spring 2011	6.4	10.1	3.7
CE 121 Spring 2011	12.6	13.6	1.0
CE 122 Spring 2011	7.0	14.0	7.0
CE 131 Spring 2011	10.2	13.6	3.4

The Center for Career Services helps students and alumni discover their own unique answers to career-related questions by offering a wide variety of additional services, including:

- One-on-one appointments
- Career fairs
- On campus interviewing for entry level positions and internships
- The John Carroll University Carroll Contacts LinkedIn group (alumni and other friends of JCU serving as career mentors/networking contacts)
- Career Connection (the online jobs database for all levels of experience)
- Other on and off campus event listings

The Center for Career Services administers a survey to Undergraduate and Graduate degree completers six months after graduation. What follows are results for the 2010 class.

## Changes in Race/Ethnicity Reporting

In fall 2010 the University began reporting student and employee race/ethnicities to the federal Integrated Postsecondary Education Data System (IPEDS) under revised race/ethnicity standards. Race/ethnicity data is ascertained by self-reported responses to surveys issued by the University. The survey has a two-question format: respondents are first asked to report whether they are of Hispanic/Latino ethnicity and then to select one or more of the given racial categories. In IPEDS reporting, those who select Hispanic/Latino are only reported in that category. Those not reporting Hispanic/Latino who select a single race are reported in the selected category, whereas those who select two or more racial categories are reported in the category 'Two or more races'. Non-resident alien status is no longer requested in the race/ethnicity survey; it is required that individuals with this status are reported as such to IPEDS in lieu of their race/ethnicity. The table below indicates the previous and current IPEDS race/ethnicity categories.

Previous IPEDS Categories	Current IPEDS Categories
American Indian or Alaska Native	American Indian or Alaska Native
Asian or Pacific Islander	Asian
Black, non-Hispanic	African American or Black
Hispanic	Hispanic or Latino or Spanish Origin of any race
Asian or Pacific Islander	Native Hawaiian or Other Pacific Islander
White, non-Hispanic	White
	Two or More Races or Multiracial
Other or unknown	Other or unknown
Non-Resident Alien	Non-Resident Alien (not collected in survey)

## The Beaudry Award, 1951 - 2011

For four years the Sodality at John Carroll had given an award to the student who had done the most for the University during that year. At the fifth annual Sodality dance in 1951 the award was changed in two ways. It was henceforth it was to be called the "Robert Beaudry Man of the Year Award" to commemorate the deceased Sodalist's memory. Also, in the future only seniors were to be eligible as recipients.

The Beaudry Award is now given each year at graduation to the young man or woman voted most deserving of the honor by fellow students. As in the past, the award recognizes outstanding service in three areas: Christian leadership, academic achievement, and contributions to the University community.

## Campion Award for Service, 1996 – 2011

The George B. Sweeney Endowed Campion Award for Service recognizes students who are committed to becoming leaders in social action through the lens of faith. Established in 1996 by George B. Sweeney, this fund honors John Carroll University students who have made significant contributions to the community, both on campus and in the larger community. The award involves a one-year, \$1,000 award to educate promising student leaders in social policy analysis in a faith perspective; the Center for Service and Social Action also administers up to \$500 in additional funds to each Campion Award recipient for an approved campus-based service project proposal.

## Alumni Giving, 1986 - 2011

Year after year, John Carroll graduates show their generosity and dedication to the University through their financial support of the annual fund, capital projects, and other leadership gift opportunities, such as endowed scholarships. Their support is the foundation for University advancement. Alumni giving provides essential operating support to meet ongoing and recurring University needs such as student scholarships and loans, advances in academic programming, technology improvements, library expenses, student extracurricular activities, faculty and staff salaries, and maintenance of campus facilities and grounds.

The figures reported below represent the total in alumni/ae giving including corporate matching gifts generated during the University's fiscal year.

## Information Technology Services

The Information Technology Services Department (ITS) oversees and provides assistance for most computer and network functions, video services, and telephone services on campus. The main office is located on the fourth floor of Rodman Hall.

The major equipment serving the campus consists of:

- 16 Intel-based servers – used for Web, Campus Card, event scheduling and academic applications including the Blackboard course management system.
- 3 IBM pSeries AIX Servers – used for the Banner 8 administrative software system, which is supported on Oracle 10g database software.
- 3 Sun Solaris Servers – used for network support & management, and directory services.
- 2 Clustered Network Appliance Storage Servers providing 11 terabytes of storage for campus network users and 3 terabytes of storage for administrative systems (Banner).
- 4 VMware servers and 13 terabytes of storage running 60 virtual systems.

The Campus Wide Gigabit Ethernet network (JCUNet), provides connection to all faculty and administrative offices and student residence rooms. The campus network has a Gigabit connection to the AT&T Opt-E-Man network. This Gigabit connection connects to the Ohio Academic Resources Network (OARNet), with a capacity of 150 MB to the commodity Internet and 30 MB to OARNet intra-Ohio which provides access to other educational institutions within the state. The Gigabit connection also connects to OneCommunity, a Cleveland based regional provider, with a capacity of 150 MB to the commodity Internet, bringing the total commodity Internet bandwidth to 300 MB.

JCUNet can be accessed everywhere on campus through computers using wireless technology, which was upgraded to the latest 802.11n standard in the summer of 2011.

### Customer Service Operations

The Customer Service Operations area of ITS provides a full spectrum of support services for students, faculty, administration and staff including help desk, desktop/classroom support, instructional design/instructional technology support, videography, and other instructional media support for academic and university events.

### Center for Digital Media (CDM)

The CDM, located on the main floor of Grasselli Library, is dedicated to advancing the use of technology to enhance teaching, learning, and research, through a combination of faculty workshops, multimedia development assistance, and one-on-one consultations. The CDM absorbed the functions of the previous Faculty Technology Innovation Center, as well as added a new emphasis on faculty collaboration with our technologists in order to help JCU keep its “edge” in technology enabled education. The CDM is equipped with the latest technology resources and is staffed collaboratively by technologists from several University departments.

### Administrative Software System

The SunGard Higher Education Banner integrated software system supports Admissions and Financial Aid, Registrar, Student Life, Alumni/Development, Human Resources, Finance and other related services throughout the campus; most of these functions are fully Web-enabled. Campus event scheduling, including a Web accessible event calendar, is supported by Resource25 software. In addition, Housing, Parking, and Judicial systems are provided through a separate application from Adirondack Solutions that is closely tied to Banner.

### Information Technology in Residence Halls

All student residence rooms have a connection for each individual resident providing high-performance access to the Internet, Internet 2, and campus computing/network resources. Each room is also equipped with HD cable TV. Wireless access is available in all residence rooms.

### Information Technology in Public Labs and Classrooms

There are more than 600 PCs and 25 Macs installed in classrooms and labs with full high-performance access to the campus LAN and the Internet at various locations on campus, including the following:
