There are no changes from the Publishing Information Guide.

Designated Administrator

The Dean of the College of Arts and Sciences is the designated administrator for the following APRs: English, and Physics.

Stipend Amounts

Program Faculty

One faculty stipend of \$3000 is available for the writing of the self-study.

Review Team/Consulting Team Members

Each of the team members will receive a \$1000 stipend with the outside member who serves as chair receiving an additional \$500.

Outside Members of the Review Team/Consulting Team

All transportation, lodging, and food during the visit is paid.

Note About Reporting

Programs undergoing APR do not need to file an Annual Assessment Report during their cohort year, so the spring 2018 report is not required for English or Physics.
